## OUR RAINCHECK

If your local Jaycar Electronics store has sold out of a currently advertised line, we will be happy to issue you with a 'raincheck'. This 'raincheck' can be presented as soon as the stock arrives and you can buy the original item (or its comparable product) at the advertised price - even if the original promotion has ended. 'Rainchecks' do not apply to items that have been advertised as 'limited', 'discontinued', 'surplus' or 'clearance' ranges.

Should you require to return goods for any reason from outside Australia it is essential that customs documentation is included. If customs dockets are not included it can be a costly exercise to have the goods cleared by Customs and the customer must pay this charge. Failure to include customs documentation may result in long delays. - Freight - Various freight options and rates are given on the order form. After selecting the freight option that suits you, please clearly mark it and add these additional changes to the total on your order. Goods cannot be delivered to a post office box via road or air courier service.
- Missing or Damaged Goods - At Jaycar, we've sent out hundreds of thousands of parcels via post over the last 20+ years and the number of items that have been genuinely lost is less than 0.001%. We've found road and air transportation equally as reliable. However it must be emphasised that our responsibility for the goods ceases when the goods are handed over to the nominated carrier. Risk on the goods passes to you when the goods leave our warehouse. Our order form allows you to elect to have goods insured against loss in transit at your cost - otherwise loss of goods in transit is at your own risk. All claims for missing and damaged goods in transit must be lodged with the carrier or local Post Office. If goods have been insured please contact Jaycar Electronics.

• Insurance - If you wish to insure, insurance will cost you 1% of the value of the goods and we are happy to arrange it on your behalf. This insurance covers goods DAMAGED in transit. If you order by phone you will be asked if you wish us to insure on your behalf. Insurance will cost \$1 for every \$100 value or part thereof. If your order is for \$145 the insurance will be \$2. (Note: Some items such as solar panels etc. are difficult to ship and have a higher insurance fee of \$7.50 per \$500.) If you do not wish to insure a statement saying "Insurance Declined" will appear on the order. If you post an order don't forget to consider insurance. We do not automatically issue insurance

unless you specify. If you don't mention insurance you will NOT be insured.

- Out of Stock Items - items under \$10 are not back ordered. Please re-order once item(s) are in stock.
